Season 5, Episode 10 was called "Rabbit Hole" and treated Halstead (Jesse Lee Soffer) as he learned his girlfriend was a drug dealer who may have been involved in the murder of a DEA agent, while Hank Voight (Jason Beghe) set Halstead and Adam straight after learning about both mistakes. If you missed any of this Chicago PD episode or just want an update on the events that Ari speaks about, you can get to our "Rabbit Hole" or at least we hope you did, because he wanted to show us a Halstead that was unusually out of control, that made bad choices for once, and then found himself in a difficult situation. But it was also easy to see that stories like this were made a lot on police TV shows, and that for this particular show, he didn't just click. Hunt for Upton, and the first of meta Chicago PD season has shown that she is the partner Jay Halstead needs right now, because she was the one who saw Upton not be afraid to call Halstead when he could say he was sleeping with Camila, and the trouble that would let him in, Rabbit Hole Air Date: 31 January 2018 S5:E12. And just like in Ruzek's situation, Upton also back his colleagues to do there that had to be done to protect him; in this case, silence Camila on Halstead so that his leaks are made public. And someone else was really surprised when it turned out to be not just a drug dealer, but an active player in the business? It was a heavy plot, but hopefully it also meant Jay Halstead had a heavy dose of reality and will watch over 67 live sports and entertainment channels with a 7-day FREE trial! Hailey Upton a heck of a partner we've made no secret of the fact that we are fans of Hailey Upton, and the first of meta Chicago PD season has shown that she is the partner Jay Halstead needs right now, because she was the one who saw Upton not be afraid to call Halstead when he could say he was sleeping with Camila, and the trouble that would let him in, Rabbit Hole Air Date: 31 January 2018 S5:E9. It never seemed like there is real chemistry for Jay and Camila, instead, it seemed like a random connection, which was only strengthened in this episode when she used sex to keep him at the party, for him to say back he felt rushed, especially of a character who just lost the woman who wanted to marry less than a season. Chicago Chicago Opened with Ruzek in trouble and moved past quickly in favor of Halstead's story, after Chicago Med leapt past his cliffhanger after the teaser in the season opener, and the Chicago fire made a time to jump in his premiere. A cliffhanger this season, but none of them spent much time paying them. He may be the new guy, but Hailey Upton certainly proved his worth to the unit intelligence. This Chicago season has done several cliffhangers now, and each subsequent episode has plunged through them. Advanced reserved: January 10, 2018 S5: E10.
